Sacchettificio Toscano is a high-performing and competitive entity, both in terms of product quality and commitment to sustainability.

Sustainability

Inside each item is a world of style and emotion.

Dust Bags

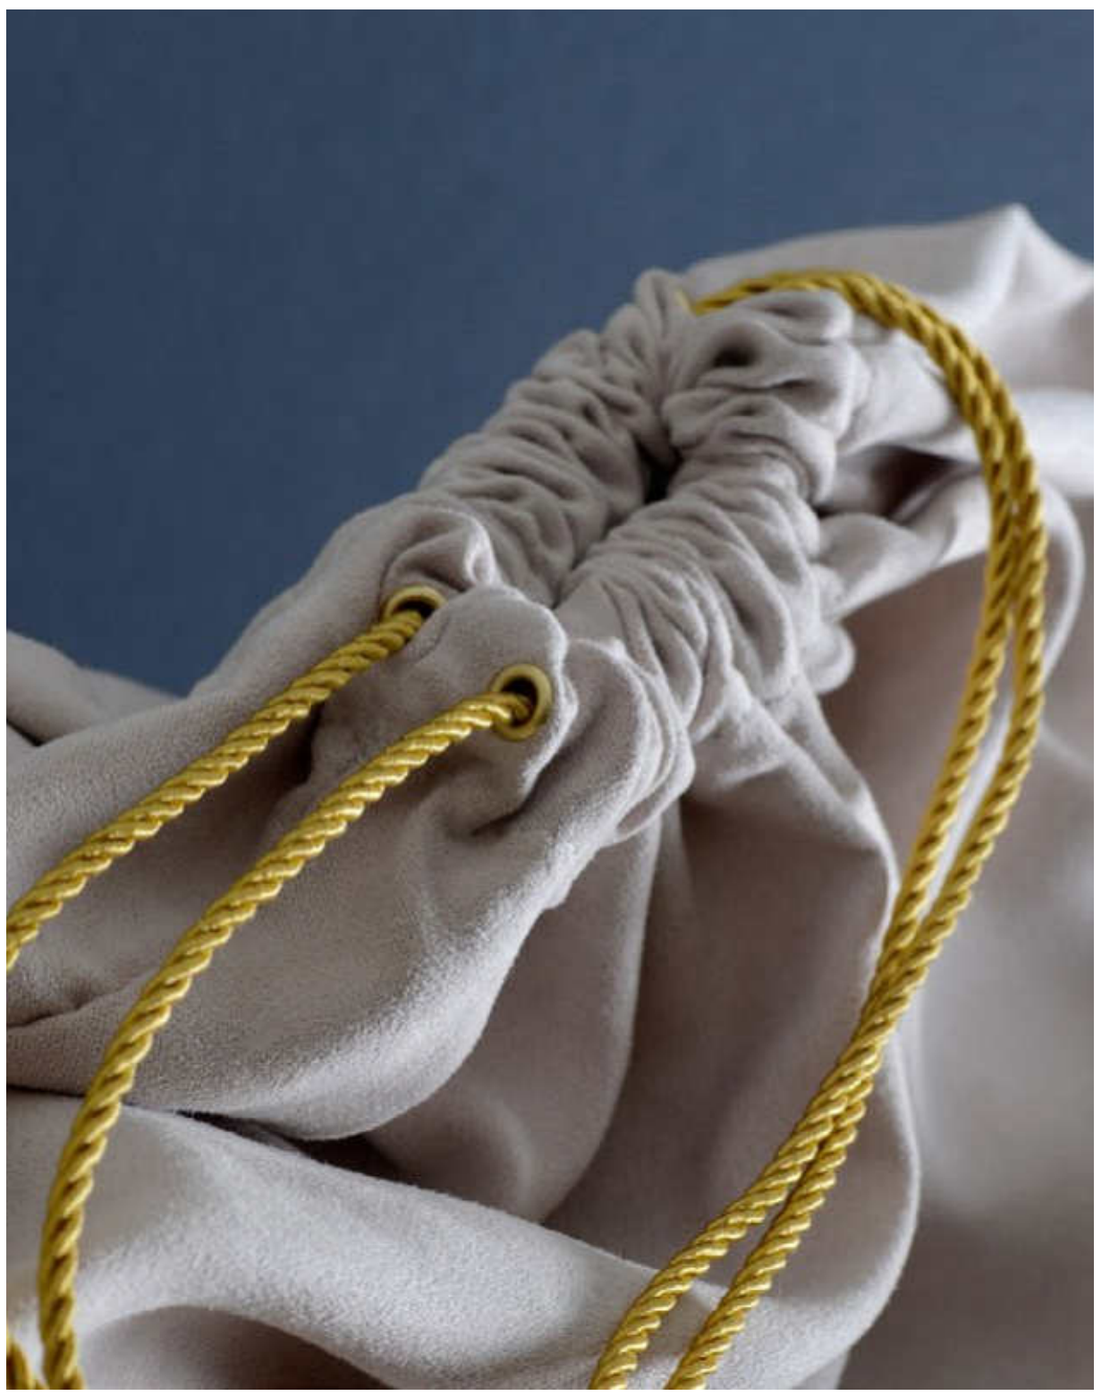

Outside, there is a packaging that will help the customer keep it with the care it deserves.

The love we put into our work appears from the attention behind every seam and from each of those details which make our dust bags unique.

Born to preserve dreams

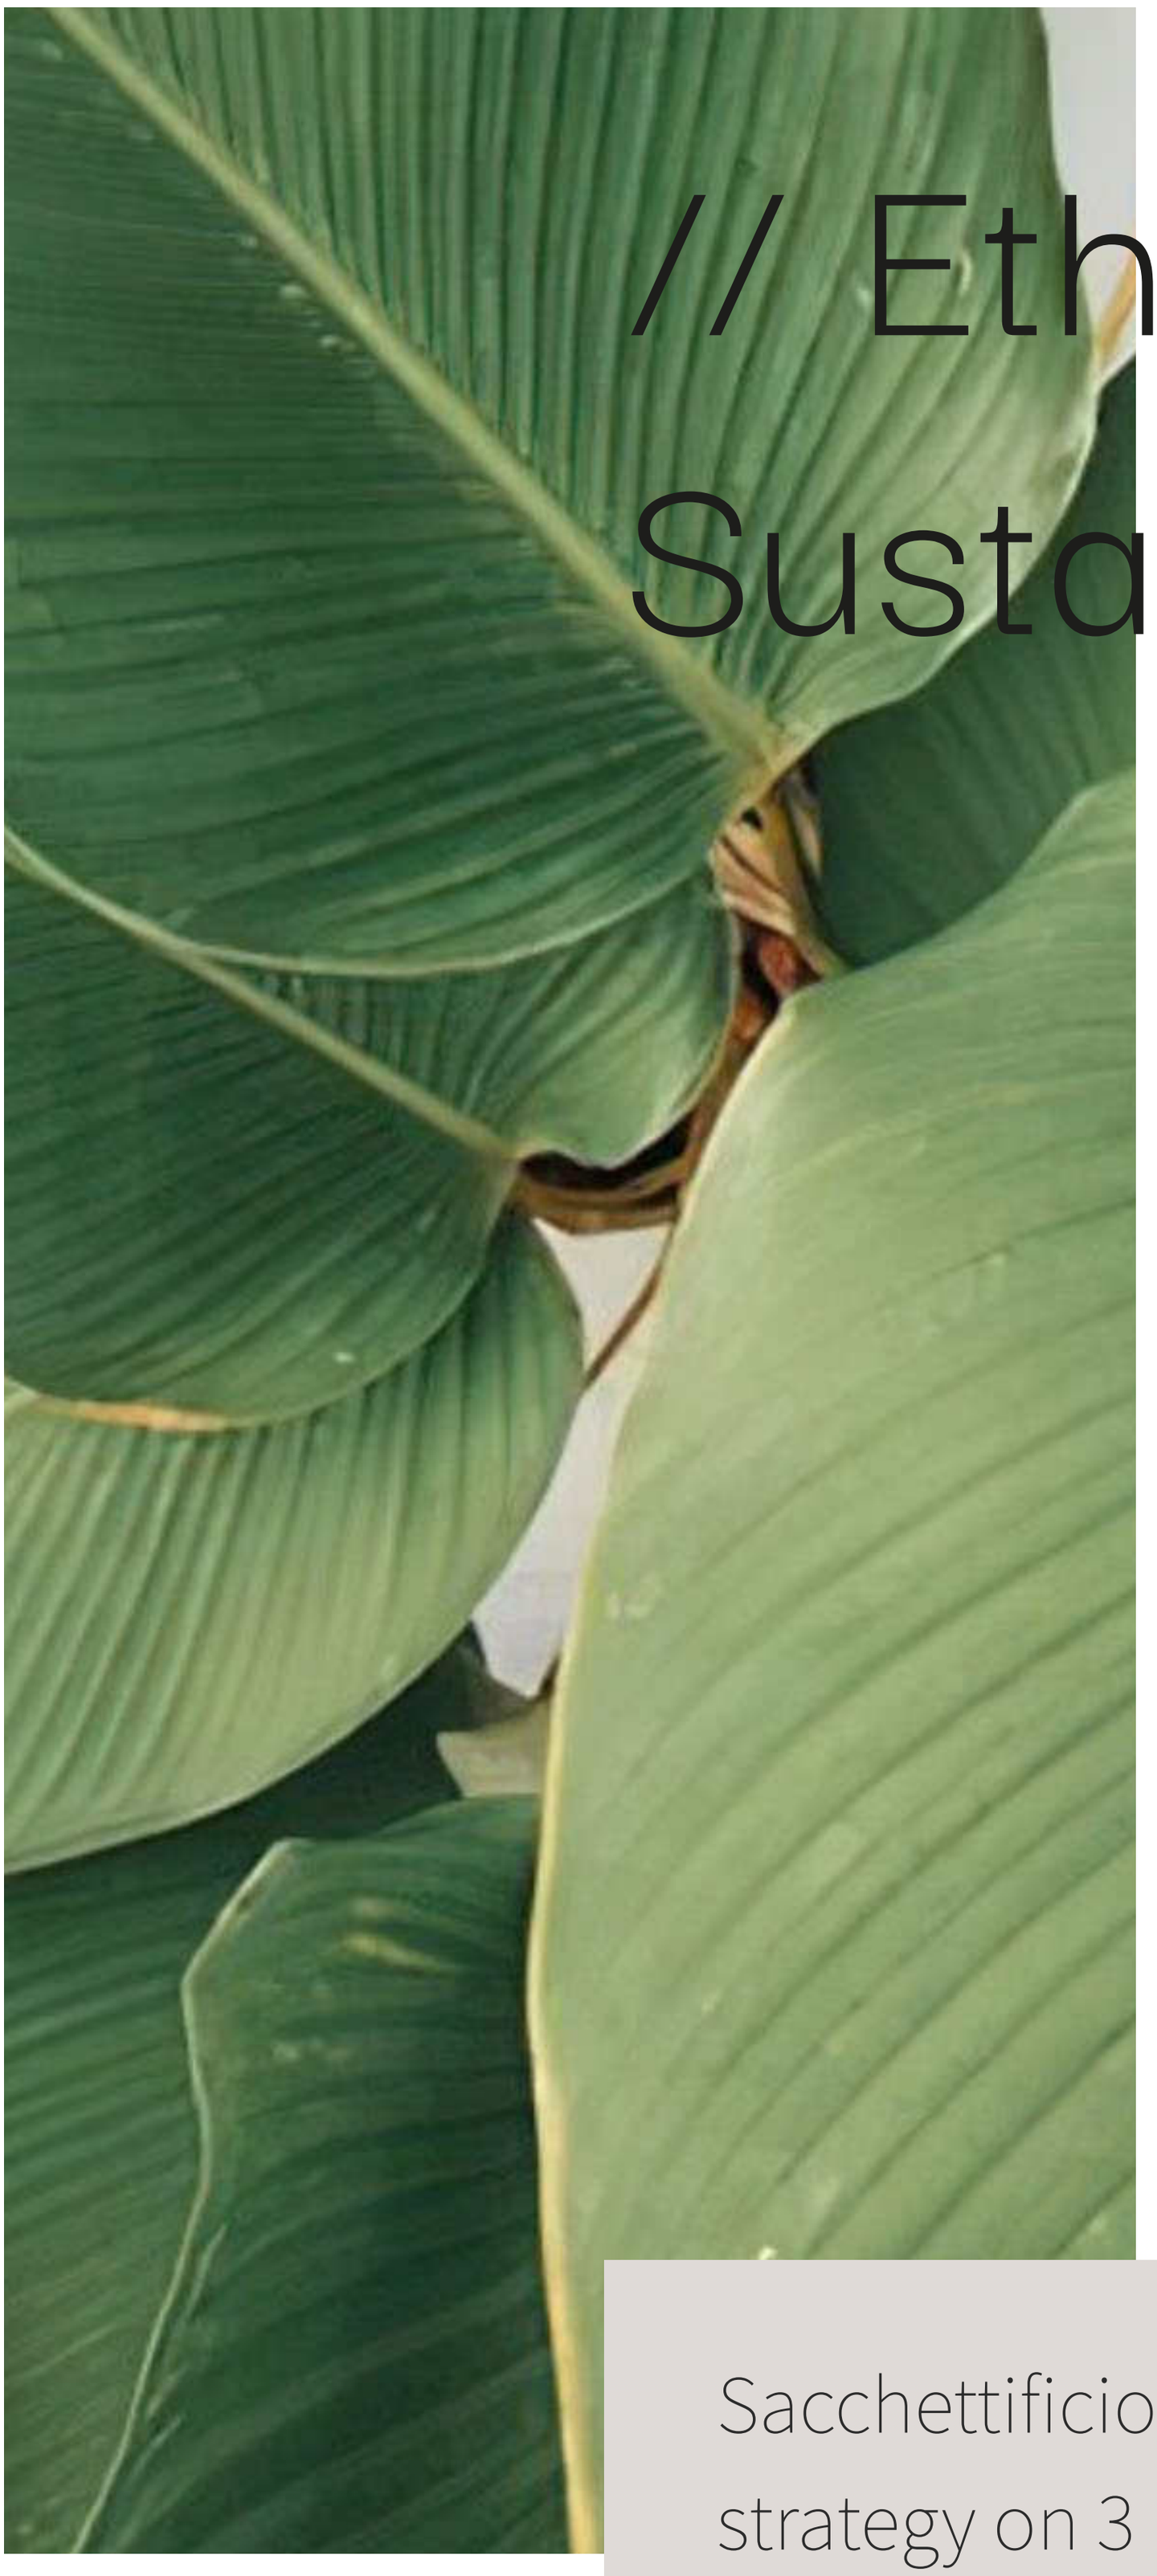

Dust Bags cared for in every detail

Research and innovation to create products with nature-friendly fabrics.

// Ethics & Sustainability

Sacchettificio Toscano bases its strategy on 3 pillars:

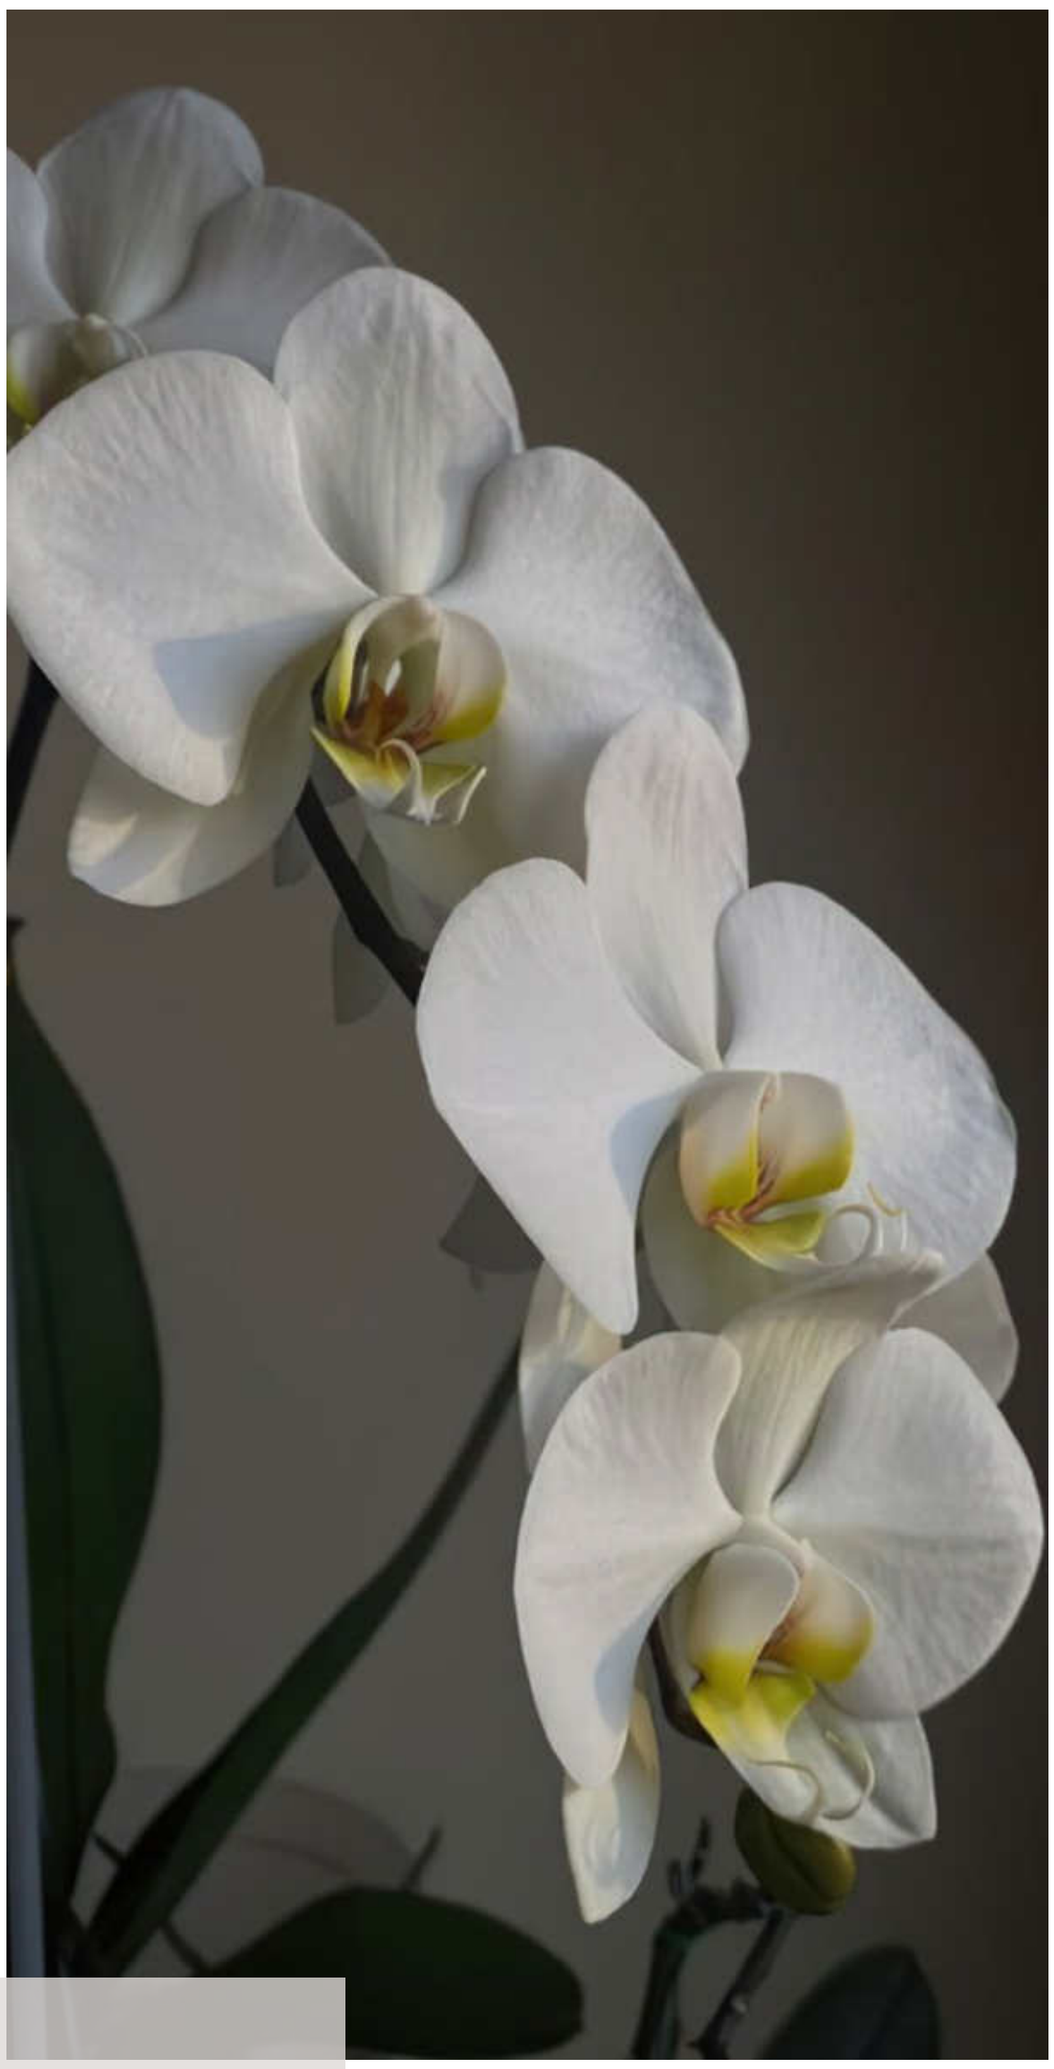

Sustainable economic development,

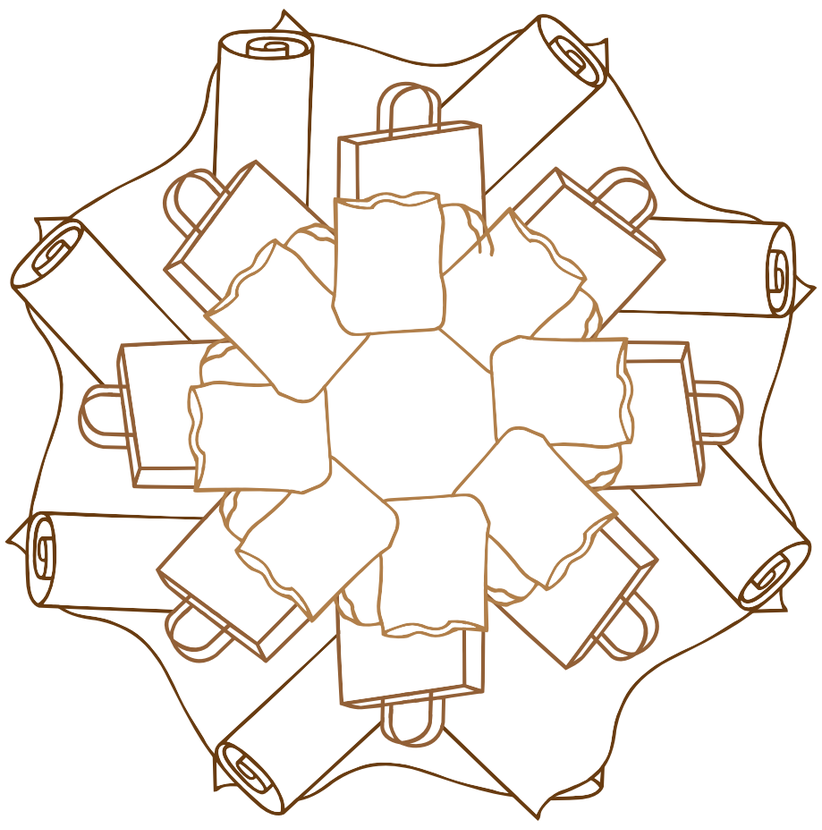

Respect for the environment,

Attention to the reuse of waste fabrics.

// Regenerated & Reusable

We work tirelessly to reduce externalities arising in the supply chain and to increase staff awareness of environmental issues and reduce wasted resources.

Balance between innovation and design

We always start with your ideas and listening to your needs:
each shopper must dress your product to perfection and enhance your brand.

Paper shopper

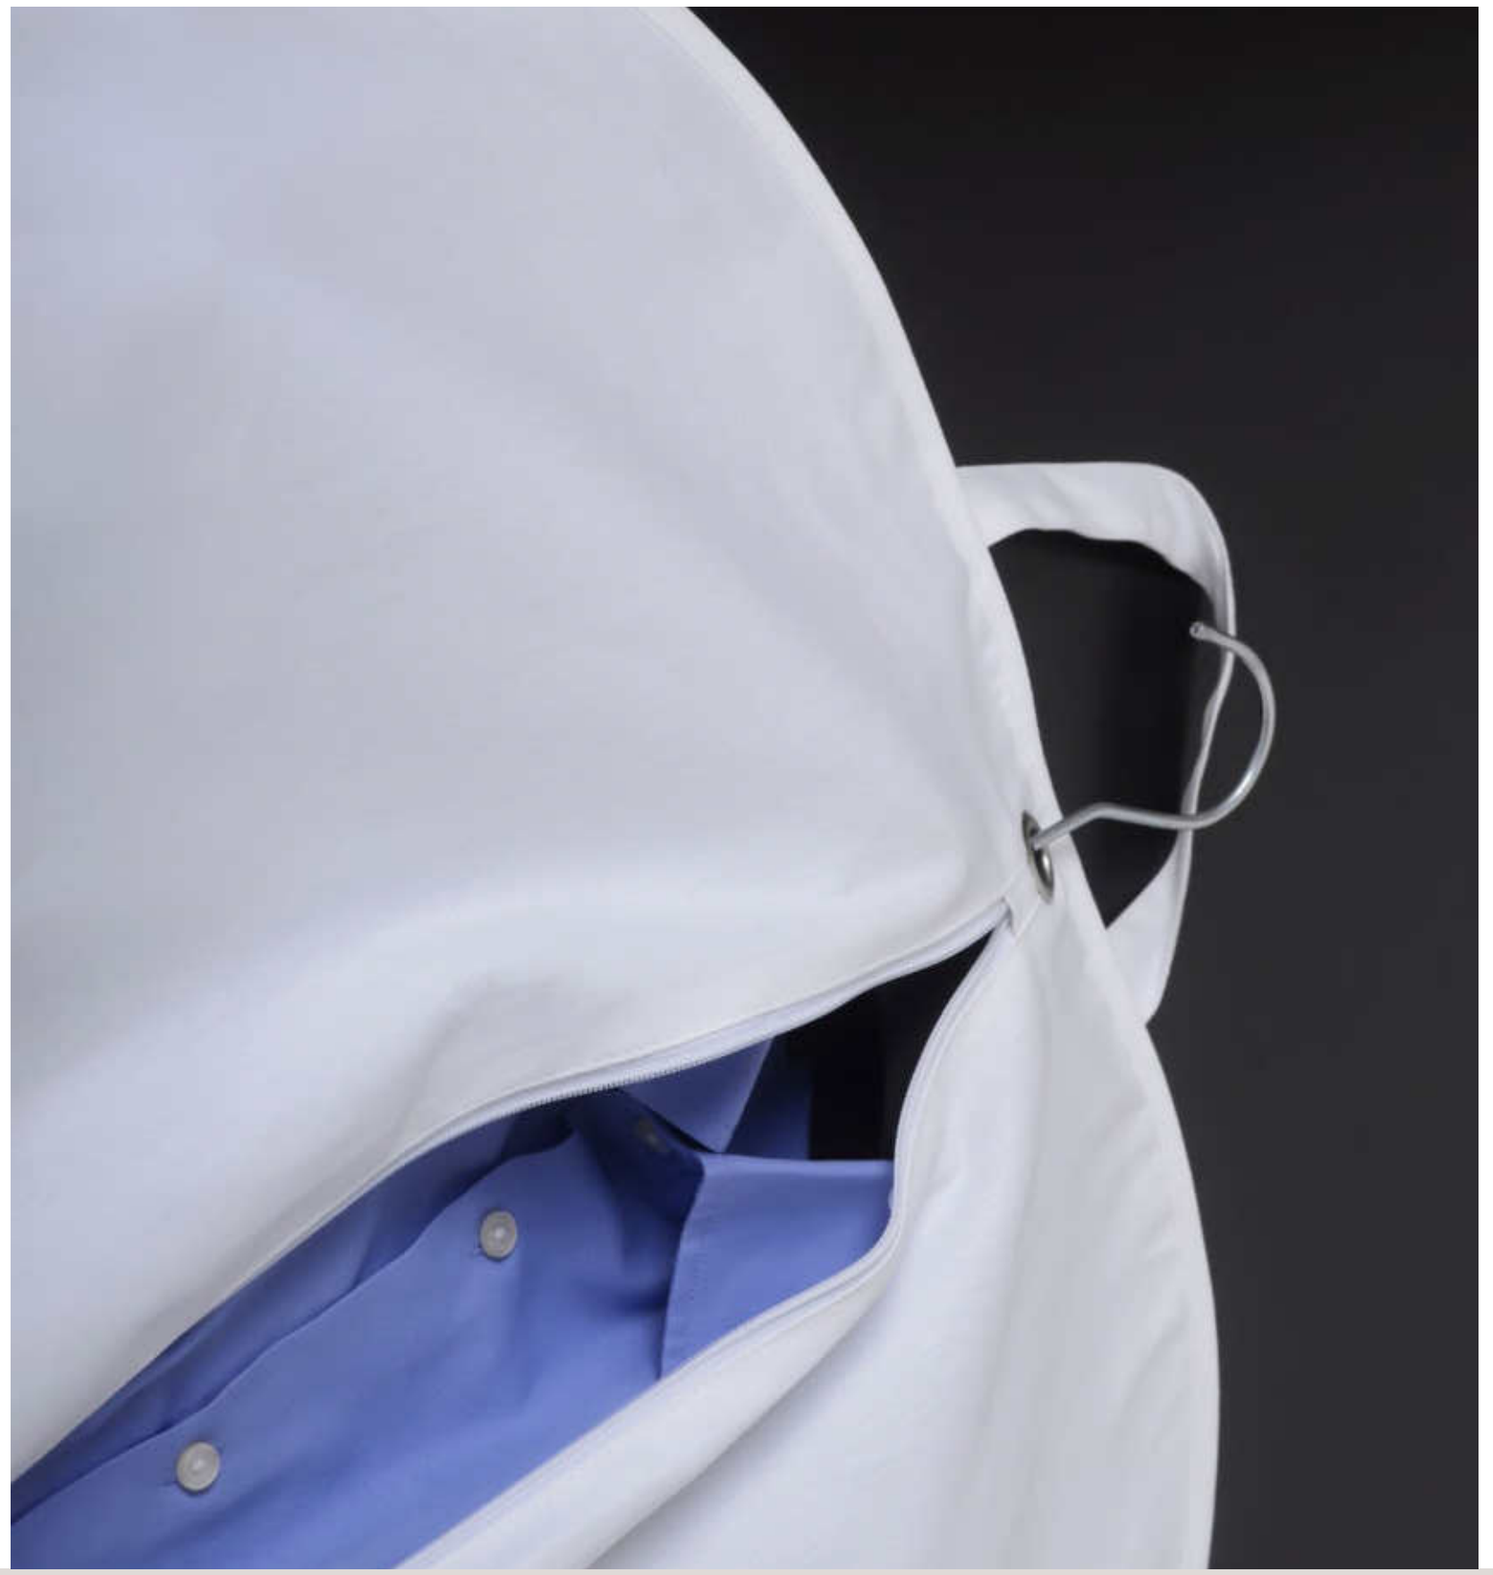

// Dust Cover

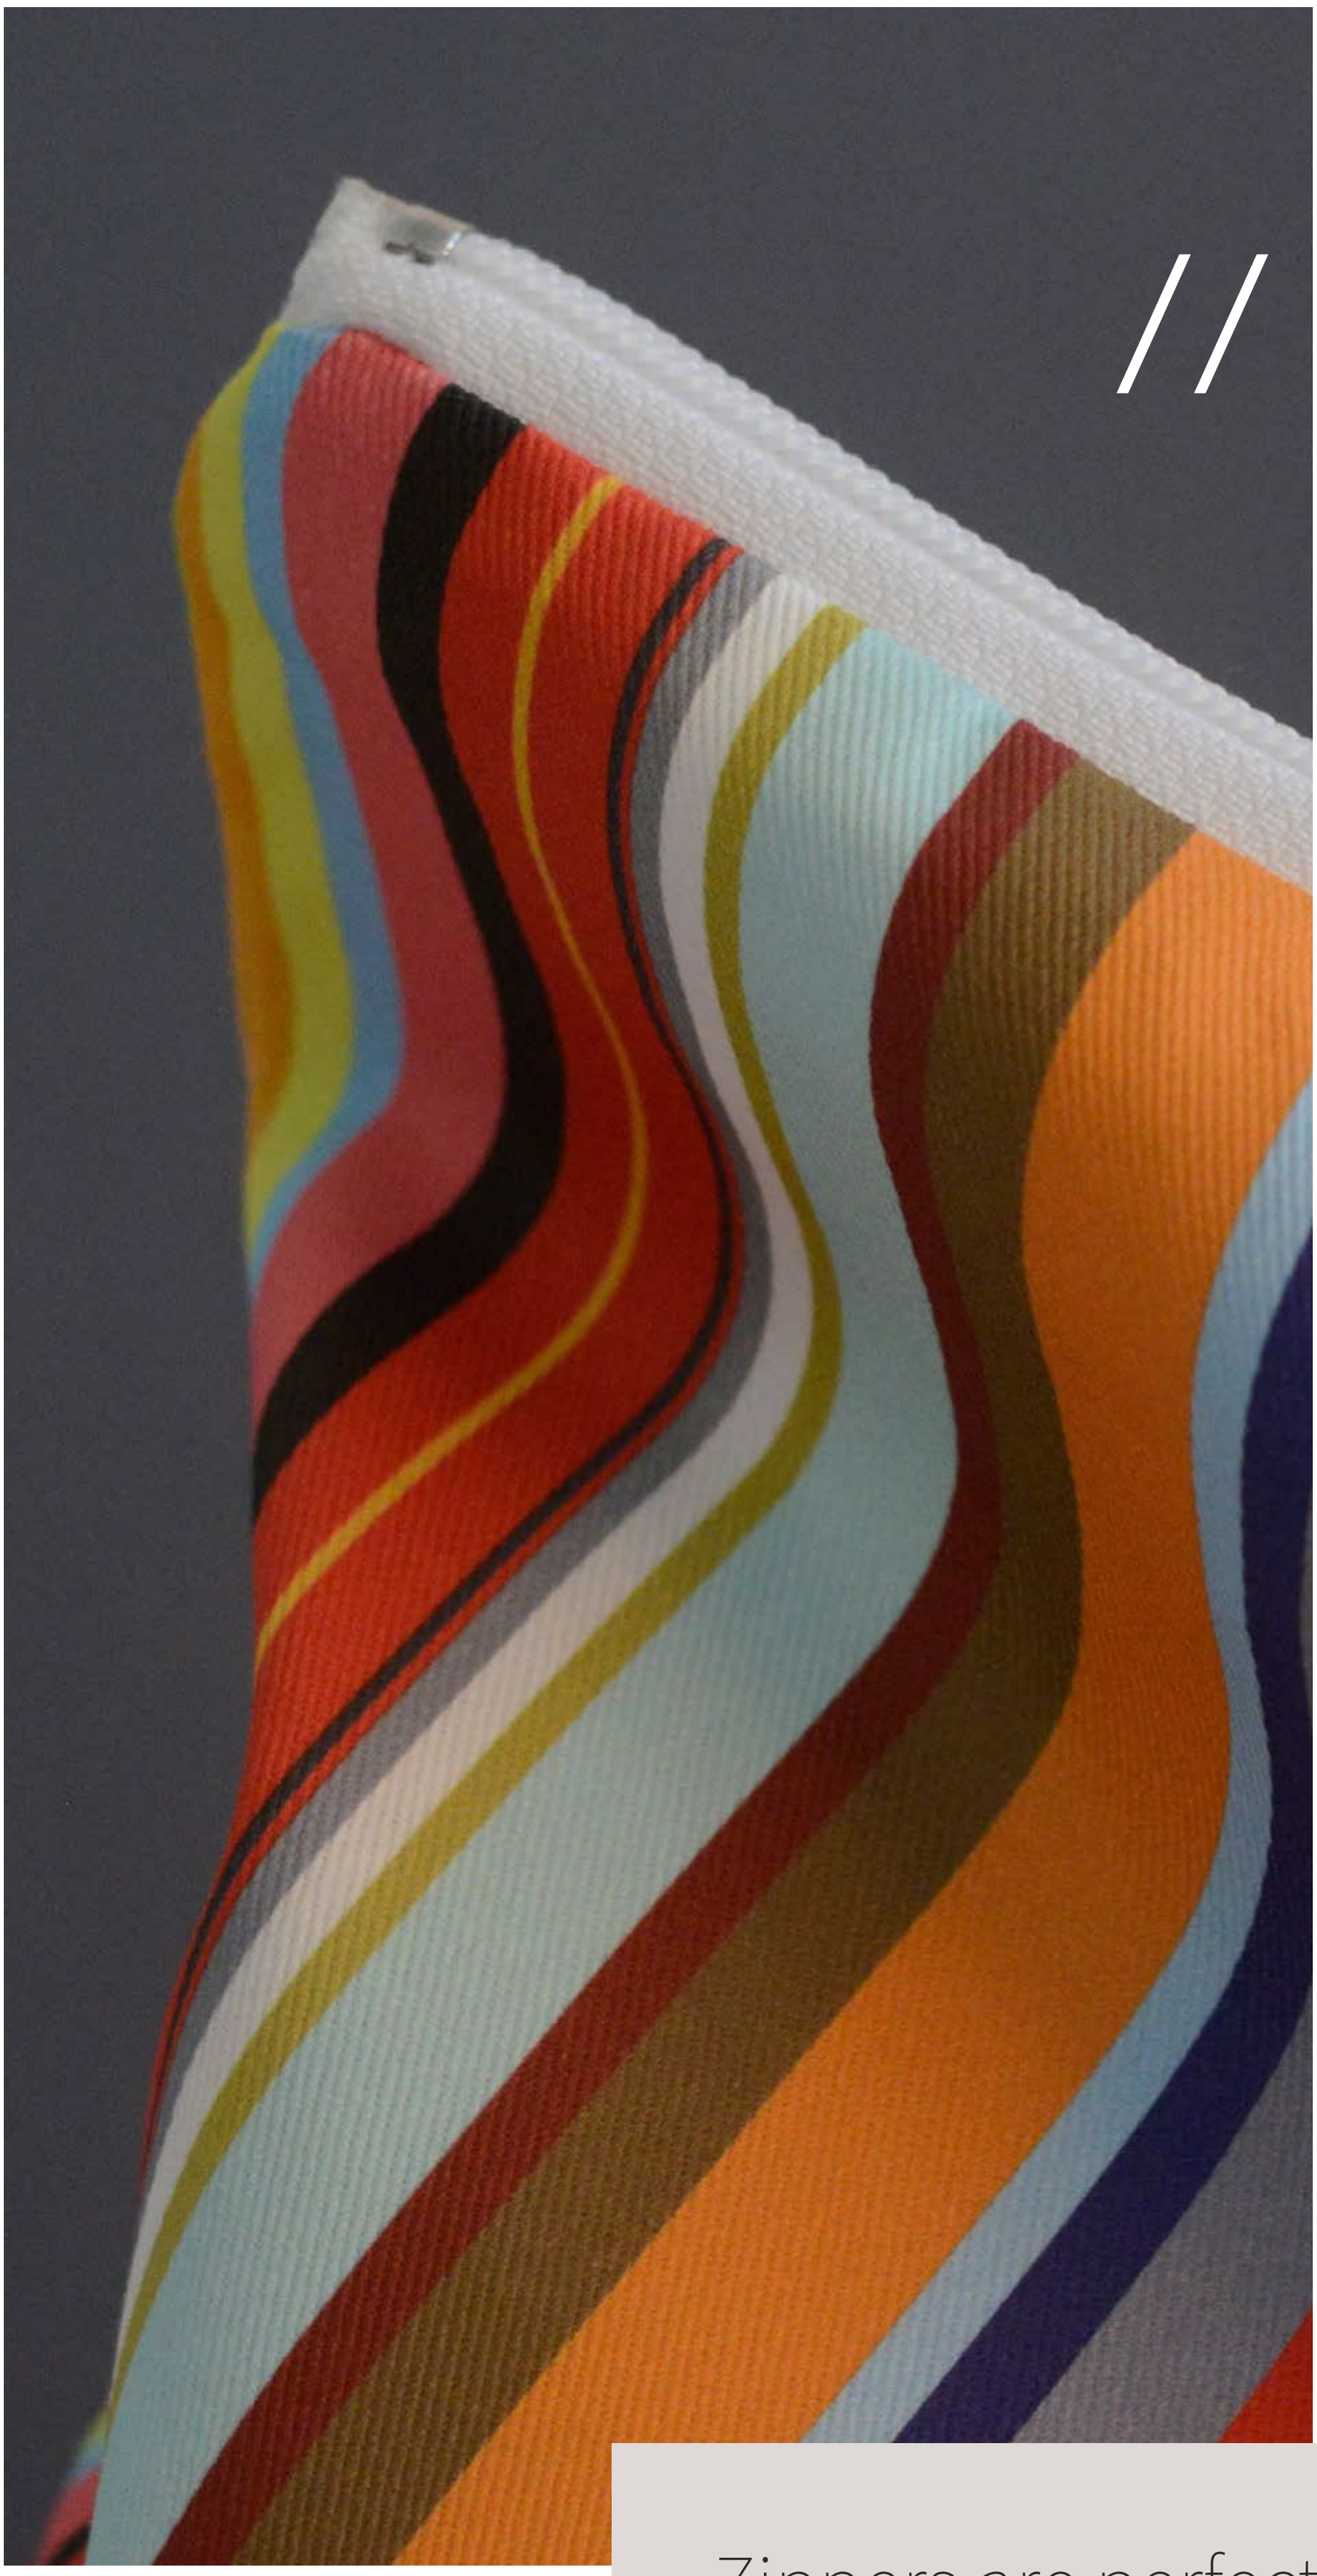

Our Dust Covers offer an elegant and conscious option for those who wish to protect and preserve their garments and valuables.

Refinement

// Zip

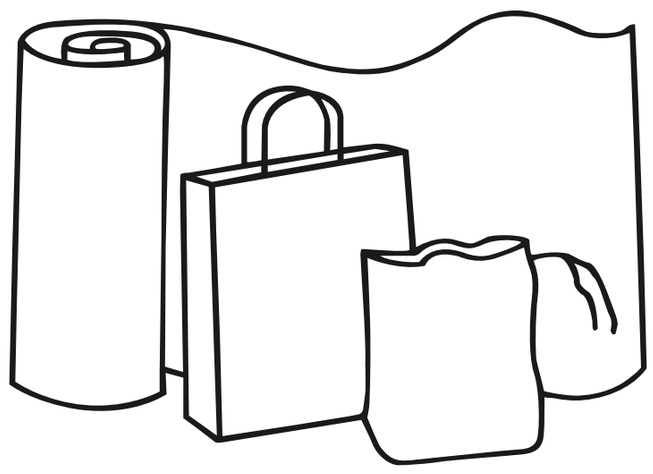

Zippers are perfect for holding small items that need a more 'airtight' closure.

They can also be used as gifts for corporate initiatives or events.

Your Ideas

Every product is unique and deserves to be stored in an equally special way.

Watchword: customisation!

Sacchettificio Toscano specialises in the creation of tailored bags with attention to detail.
To express originality and creativity.
